Re: **Modification #1**
MDE No. 10-SF-0085
Contract No. DGS #07-259-379-00
Physical Sciences Complex
University of Maryland, College Park

Dear Mr. Martinazzi:

The Water Management Administration (WMA) has received and reviewed the submittal received August 2, 2010 for the referenced project in Prince George's County. The review was in accordance with Sections 4-106 and 4-205 of the Department of the Environment Article, Annotated Code of Maryland with regard to Sediment Control and Stormwater Management. As a result of the review it has been determined that the following is **APPROVED**:

Erosion and Sediment Control Plan Initial Phase, DWG C801

1. Modification of ESC plan to replace two (2) inlet protection with the proprietary product, Sediment Control Inlet Guard.

Erosion and Sediment Control Details, DWG C803

2. Addition of the detail for Sediment Control Inlet Guard.

It is the responsibility of the Applicant to insure that a copy of the approved modification shall be available at the construction site during the construction period. By copy of this letter, the approved modification will be transmitted to the Maryland Department of the Environment Inspection and Compliance Program. Please call me at (410) 537-3563 with any questions or comments.

Sincerely,

For James K. Tracy, P.E., Chief
Sediment and Stormwater Plan Review Division
Water Management Administration
